

## PLAINVIEW BASEBALL ASSOCIATION

### REQUEST FOR A WAIVER OF THE NO PITCHING RULE

TO: PLAINVIEW BASEBALL ASSOCIATION  
P.O. BOX 94  
PLAINVIEW, NEW YORK 11803

I am requesting that the board of directors issue a waiver of the no pitching rule for my son, \_\_\_\_\_ who is currently in the \_\_\_\_\_ grade and whose birthday is \_\_\_\_\_. I have been advised of the rule that states: "Any child who is Little League age seven through twelve and is enrolled in another baseball organization and/or team (excluding school teams and girls softball) during the spring intramural season will not be eligible to pitch for any intramural team in the Plainview Little League."

Although my son will be playing on another team outside of the Plainview Little League this season, I am requesting that a waiver be issued to my son since he will not be pitching for his outside team. In connection with such waiver request I am promising and assuring the Plainview Little League that (a) my son will not pitch during any scheduled game for such outside team, (b) my son will not volunteer to pitch during any scheduled game for such outside team and (c) if requested to pitch during a scheduled game by his manager or coach, my son will decline to pitch. I understand that any violation of the foregoing will result in disciplinary sanctions being taken which may include suspensions from games and removal from the team's pitching roster.
